

VECTRA

SMART RETURN PUMP

EcoTech Marine has set new standards for equipment in saltwater aquariums. The Vectra is no exception. The world's smartest return pump can be run on a schedule, wirelessly give you updates on the operation **and be automatically configured to work with your specific aquarium setup.**

S1

Flow: 1,400 gph (5,300 lph)

Wireless: Included

Max Head Pressure: 11.5 feet (3.5m)

Footprint: 3.5 in. x 6 in. (89x152mm)

Fittings: Input: 1 in. (25mm)

Output: .75 in (19mm)

M1

Flow: 2,000 gph (7,500 lph)

Wireless: Included

Max Head Pressure: 21.5 feet (6.5m)

Footprint: 4.25 in. x 6.25 in. (108x158mm)

Fittings: Input: 1 in. (25mm)

Output: .75 in (19mm)

L1

Flow: 3,100 gph (11,500 lph)

Wireless: Included

Max Head Pressure: 21.5 feet (6.5m)

Footprint: 4.5 in. x 7 in. (114x177mm)

Fittings: Input: 1.5 in. (38mm)

Output: 1 in (25mm)
